DEDICATION

To a man who is absorbed in his work,
Who gives freely of his time inside and outside of school;
To a man who unselfishly gives of himself to others,
Whose keen mind and ever-present vitality enliven his work;
To a teacher who takes his profession to heart,
Whose genuine interest in his students is reflected by his
willingness to help wherever and whenever he can;
To MR. DON MOORE, the special "guardian" of the Class of

TO MEMBERS OF THE CLASS OF 1962:

COMMENCEMENT - A commencing; beginning. According to Webster this is the time to begin, to start, to initiate.

I would like to challenge each of you to approach this commencement season with the feeling that you have just started the great game of life. I must concede that you have reached a plateau in this endeavor during the past 12 years of elementary and secondary education. However, reaching this plateau is not the end but merely the beginning of a great and challenging future.

In just a few short years the responsibility for decisions that affect this town, state, nation and yes, the world, will rest upon your shoulders. The destiny of this nation is in your hands.

As you are exposed to this era of the Atomic and Nuclear Age, the age when space travel is imminent and week-end jaunts to the Moon instead of the beach a distinct possibility, your hearts and minds must always be pure and wholesome and understanding. Always place yourself in position to make decisions with wisdom and intelligence.

It is your responsibility, yes your obligation and heritage, to foster and preserve this great American Nation in the tradition and manner in which has been provided for you and to which you have become accustomed.

Yes, this is the beginning of a splendid opportunity for each of you to be of service to yourself and to mankind. In medicine, science, industry, religion, law, teaching; whatever course you pursue in this great game of life, I leave with you this thought and this wish - that you strive to live by THE GOLDEN RULE - DO UNTO OTHERS AS YOU WOULD HAVE OTHERS DO UNTO YOU.

I will watch with interest and a feeling of pride as your accomplishments grow and as each of you move with this challenge to begin, to start, to commence.

My very best wishes to all members of the Class of 1962.

Cordially yours,

Luther A. Adams

CLASS OF 1962

SOUTHERN PINES HIGH SCHOOL SOUTHERN PINES, N. C.

GLENN L. COX, Principal

June 7, 1962

Class of 1962:

You have just completed one important phase of a learning program that will be significant to you for the rest of your life. Your high school days form the basis for a productive future. What you have done here might well serve as a barometer for coming events.

You have satisfactorily concluded a portion of your formal education in the mathematics, science, English, foreign language, and commercial classrooms. Here your activities have trained you to think so as to solve the problems that might confront you as you advance in the learning sequences of life.

You have broadened yourself culturally through participation in the glee club and band programs of Southern Pines High School. The appreciation of the arts gained here will give more enjoyment through the years. The Dramatics Club has offered you an outlet for your energies and given you the opportunity to assume new identities and in doing so to better understand others.

Your participation in football, basketball, baseball, and other physical activities of the school has enabled you to strengthen yourself physically for an active life.

You are high school graduates, and it is a pleasure to offer you my congratulations and best wishes.

The total experiences of the last few years will be of unlimited value to you. Patrick Henry said, "I have but one lamp by which my feet are guided, and that is the lamp of experience." As we reflect on your experiences, it is my hope that they will be a shining light which will guide you steadily along a clear path to a successful adult life.

Sincerely,

Glenn L. Cox

WALLY WALLACE.....	President

BECKY SHAW.....	Secretary
DIANA BRIDGES.....	Treasurer

JEANNE BACHMAN
LANCE 2; Pep Squad 2, 3; F. H. A. 2, 3; Dramatics 3.

Jeanne is the proud possessor of a highly sought after and greatly publicized attribute—she is a lovely honey blonde! But Jeanne also counts in her attributes her warm personality. One should not be fooled by her quiet exterior, for inside that unaggressive character is a spirit that finds adventure in the simplest of things. Jeanne is most dear to her friends for her quiet, unassuming attitude of concern. No airs for this girl... Jeanne is as genuine as sunlight.

PETER PAUL BLASKO, JR.
Transferred from Holidaysburg High School, Holidaysburg, Pa. 2;
Golf 3, Football 3, 4.

In writing a short history of Barry, we would like to divulge a secret... The staff seriously considered adding a superlative tailored to Barry. We could have called it "The Worst Ever!" Barry is as dear to us as the assemblies that break into classes. Whenever he is around there seem to be a few more smiles. Barry is good-natured Charlie Brown personified. He is another who is a sheer genius or just an absolute nut! We know that Barry, incomplete without his sleepy smile and independence, will continue to shuffle down the precarious path that will lead him straight into the hearts of everyone around him.

DIANA NELL BRIDGES
Beta Club 3, 4, Treasurer 4; Basketball Manager 1, 3; Monogram Club 2, 3, 4; Cheerleader 4; Annual Staff 2, 3, 4, Class Editor 3, Feature Editor 4; F. H. A. 1, 2, 3; Class Secretary 3, Secretary-Treasurer 4; Pep Squad 1, 2, 3, 4; Glee Club 1, 2, 3; Office 3, Marshal 3.

Diana is one of the few people we have ever met who was intelligent to the point where it was almost disgusting. Her quick mind sacrifices no accuracy in any process. Anyone who has had a Math class with her has experienced the same feeling of frustration that we have felt when watching her perform. But Diana is not one with all brains, she has a buoyant disposition that helps to dispel any gloom that may gather. A mixture of a fine mind, an active enthusiasm for life, and the spark of lightheartedness go to make up a girl whose successes will be written in the sky.

JOHNNY REEVES CALCUTT

Strongly ambitious with a two-fisted drive, that's our boy John. Although many of his hours are devoted to the fastidious care which he awards his blue chevy, not all his talents are mechanical. In fine arts, Johnny has turned out very artistic work. We are greatly indebted to him for his work as chief supervisor in charge of construction, (that is, carpenter) for the Junior-Senior. The interior of the castle that he helped to build emphasized the theme of enchanted majesty. Among the fondest of our memories of Johnny will be the thought of his pleasantly deep voice being carried over the lines of WEEB. We hope he realizes with great success his ambition to further this interest and skill.

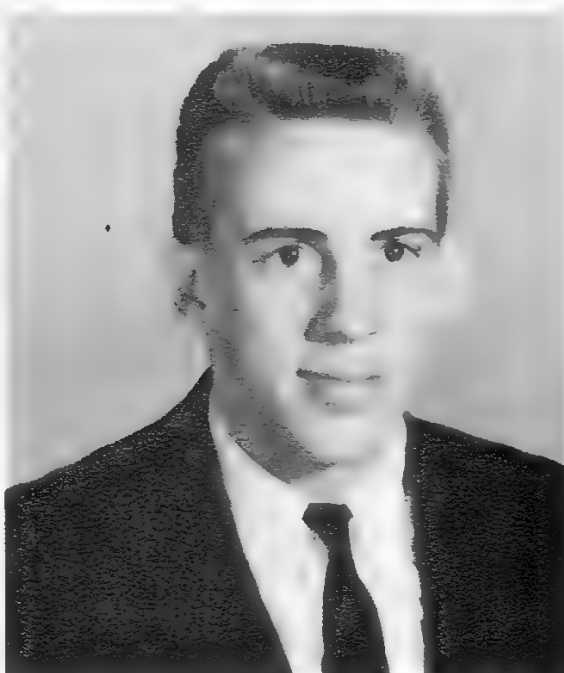

MARTHA RUTH CAMP

Pep Squad 2; Masque Club 1, 2; LANCE 2; F. H. A. 2, 3.

Martha is a very sensitive person. She has two almost opposing qualities that we admire her most for. Martha is gifted with a rare sensitivity that gives her a very quiet understanding, and at the same time, Martha can drum up more enthusiasm for a good idea in two seconds than we could in two days. Her straightforwardness and sincerity in all discussions makes her an asset to any class. We wish only the very, very best of wealth and happiness to a girl of such high caliber. We place great faith in her as she sets her course for the years ahead.

WILLIAM KNAPP CATON, JR. Baseball Manager 1.

A certain air of recklessness distinguishes Bill from any crowd he is placed in, Bill's ideas of fun often range to the bizarre, but he carries them out with the greatest of enthusiasm. Bill has the knack of being able to present a sort of second nature to some of his instructors. This only makes things go at a faster pace when he is around, so that no one is certain just what the situation really is. Bill's departure this year sees the end of a line of Catons at S. P. H. S. We wish him the best to go with him.

SARAH ROSELYN CHANDLER

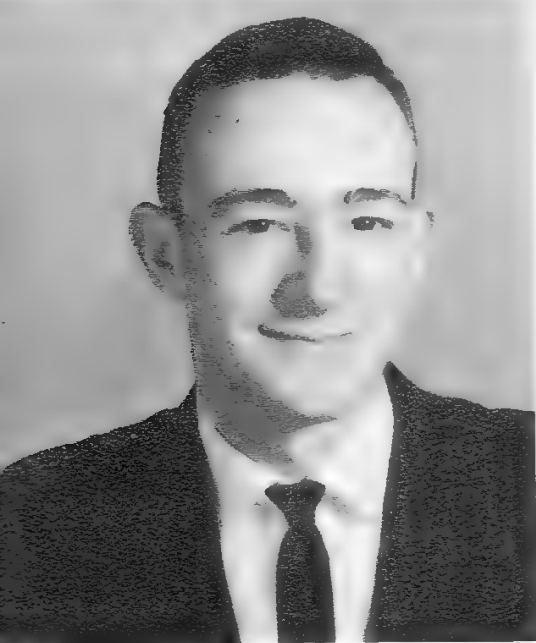

Glee Club 1, 2, 3, 4; Beta Club 3, 4, President 4; Pepsquad 1, 2, 3, 4; F. H. A. 1, 2, 3, 4; Annual Staff 3, 4; Majorette 2, 3, 4; Student Council Representative 3; Marshal 3.

Rosie... always well-dressed and impeccably groomed... always. We might find this frustrating if it were not for her unassuming ways. First and foremost in our minds when we think of Rosie is her utter femininity. Second is the thing that makes her so enjoyable... Rosie has an innate sense of absurdity. Often in classes she raises a question after working on it only half-way. The result is complete hilarity which only confuses her more. We know that Rosie's own modest dependence will make her a joy to have in any man's household, and that she will meet every success "looking like a million!"

MARY ELIZABETH CHAPPELL

Majorette 1, 2, 3, 4, Chief 3, 4; Pep Squad 1, 2, 3, 4; Basketball 1, 2, 3, 4, Co-Captain 4; F. H. A. 1, 2, 3, 4; Glee Club 1, 2, 3, 4, Assistant Accompanist 2, Student Director 3; Class Treasurer 3; Masque Club 1, 2, 3, 4; Beta Club 3, 4; Monogram Club 2, 3, 4, Officer 2; Marshal 3; LANCE Staff 2, 3, 4, Assistant Business Manager 3, Business Manager 4.

Mary... a professional loser of glasses, Mary has practically supported the town optician these past four years. One of the most delightful things about Mary is that she can laugh at her own silly mistakes when we are always frustrated by ours. Mary is interested in all sports and also likes to settle down in some quiet spot and read. She's probably the only person that reads Gone With the Wind annually... To Mary we must give most of the credit for our Junior-Senior—it was she who proposed the castle and buckled us down to work. A creative mind, a vivid imagination, and a hardy never-say-die spirit give this gal what it takes in anybody's book.

MARVIN RANSOM CORNELL

Band 2, 3, 4, President 4; Pep Band 2; Dance Band 2; Pep Squad 3, 4.

Marvin... take a shock of red hair, a pair of dark-framed glasses, a disheveled notebook, and a large trombone case; toss lightly with a wry sense of humor, and you have the beginnings of a Marvin Cornell. Marvin is truly a unique person though, we don't think he can ever be matched. Although he is interested in fishing and water-skiing, he plans to pursue a career as an entomologist (you know, one of them there scientist fellers what studies bugs). Marvin's good disposition, fine character, and subtle witticisms will make him known and well-liked in all circles.

CYNTHIA LEE FOWLER

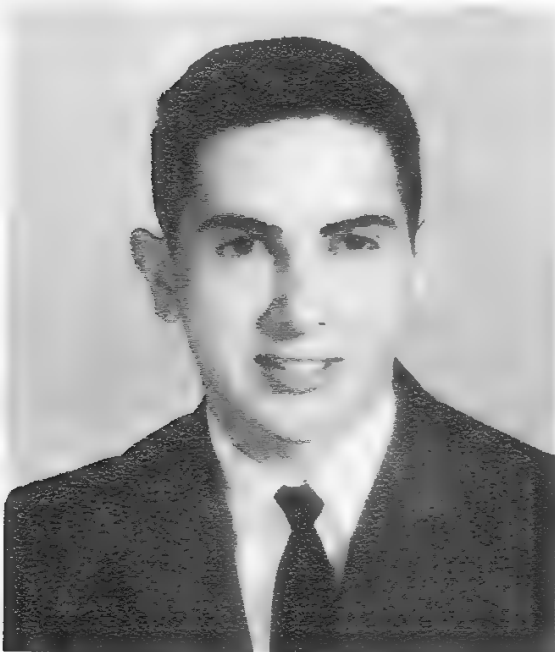

F. H. A. 1, 2, 3, 4; LANCE Staff 1, 2, 3, 4; Office 4; Pep Squad 1, 2, 3, 4; Basketball 1; Library Assistant 3, 4.

Cynthia makes us think of the old adage "You can't tell a book by its cover." At first glance, one might think that she is quiet and unassuming, but even the most brief acquaintance will assure anyone that hers is a witty and engaging personality. She is a petite missy with a lot of spunk.

JOAN ELEANOR GROVER

Basketball 1, 2, 3, 4, Captain 4; Monogram Club 2, 3, 4, Secretary 4; Cheerleader 3, 4, Chief 4; Beta Club 3, 4, Secretary 4; F. H. A. 1; Homecoming Queen 4; Annual Staff 4; Pep Squad 1, 2, 3, 4; Glee Club 1, 2, 3; Marshal 3.

A strong spirit gives Joan a certain strength that assures us that she will stand firm against any storm. This carries over into school and is shown in her intense enthusiasm and concern for all her activities. Her quick wit and good looks makes her popular in any group. In her Senior year, Joan presided over the Homecoming festivities as Queen, and represented us in the Miss Moore County contest. With all her fine accomplishments, scholastic and extracurricular, Joan has set an example of excellence for all of us. May only the finest come to a deserving girl.

CECIL LEON HACKWORTH, JR.

Transferred from High Point, North Carolina 3; Pep Squad 4.

Cecil is a happy fellow who gets around with his crazy smile and a big "Hi-i-i-i" for everyone. He has become well known throughout the countryside in the short year and a half that he has been here. His artistic ability is unsurpassed when the subject is girls or cars—and speaking of cars, Cecil drives a big blue Impala—or maybe it drives him. Nothing ever bothers Cecil's happy disposition or disarranges his smile. Maybe it's because he doesn't wake up until 3:02 everyday.

GLORIA KATHRYN HEARN

F. H. A. 1, 2, 3, 4, Officer 4; Library Assistant 3, 4; LANCE Staff 4.

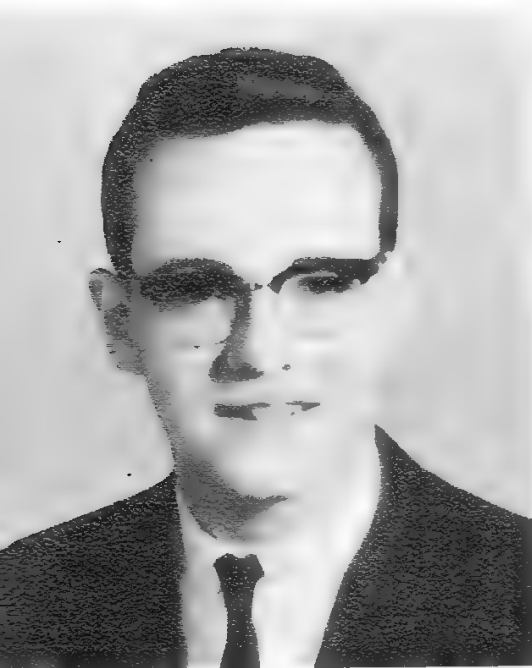

Gloria is witty and very amusing at times. She is always considerate and dependable—a fine friend whom we are proud to call one of us. She spends much of her time sewing like a pro. She is capable of big things and hopes to have a successful business career.

DICKEY EDSON HOSKINS

Beta Club 3, 4; Glee Club 3, 4; Band 1, 2, 3, 4; Masque 3; Football 4; Student Council 4, President 4; Monogram Club 4; LANCE Staff 3, 4; Marshal 3; Pep Squad 2, 3, 4.

At the same time that Dickey has added length to his shadow these past four years, he has added a considerable amount of _____. Dickey is a real go-getter. This might be interpreted by some to mean that he goes to the now depleted chem. lab, and gets what he needs to carry on his insatiable quest for knowledge. Seriously, if we had half the initiative that this fellow has, we wouldn't be writing this foolishness. We're just jealous, Dick! As Dick plans to prepare himself for a career in chemistry, we will watch him with growing interest and pride, knowing that he will give all he has to his work and expecting the great successes that his work will bring.

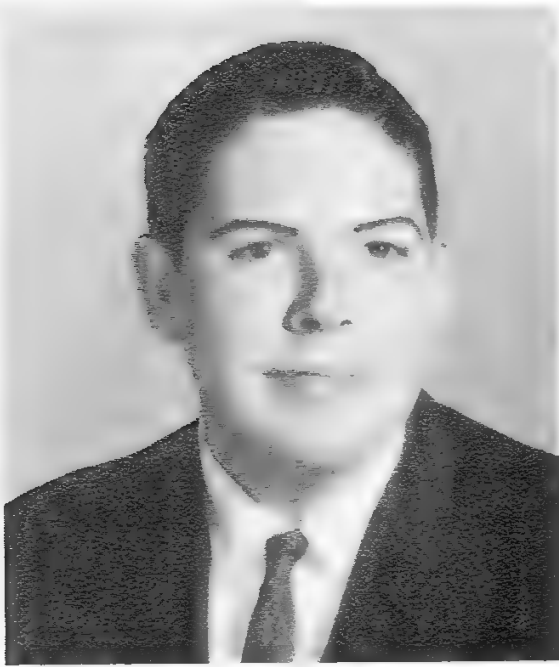

MARY LEIGH INMAN

Beta Club 3, 4; Basketball 1, 3; F. H. A. 1; Glee Club 1, 2, 3; Monogram Club 4; Class Vice-President 2, 3; Annual Staff 2, 3, 4; Cheerleader 4; Pep Squad 2, 3, 4; Office 4; Marshal 3.

Mary Leigh... steady as a rock. No Chicken Little-the-sky-is-falling panic for her! Mary Leigh is a very level-headed girl. Her casual air is constantly with her; it makes us wonder if anything ever bothers her. But underneath that calm exterior is a real zest for life and a deep appreciation for all around her. The high position her classmates have given to her testify to her character far, far better than we can in this limited space. May you always...

KENNETH ALLYN LITTLE
Office 4.

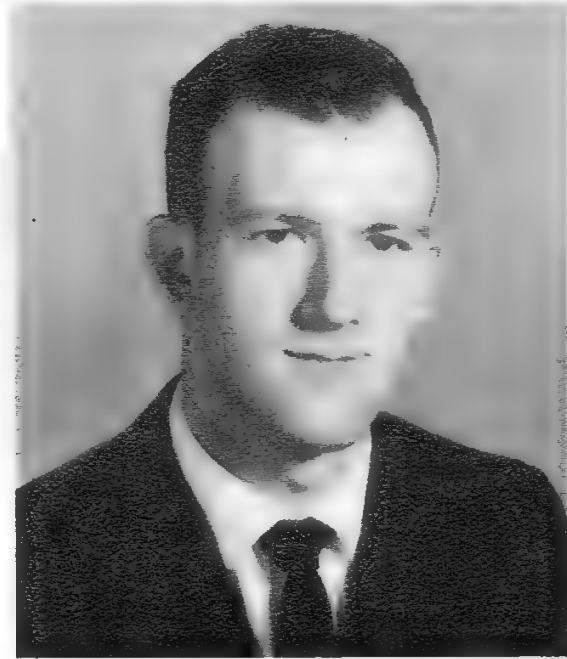

Kenny is a man of long experience in S. P. H. S. His seeming monopoly on the ping-pong tables is only because he commands the respect of all his underclassmen. Kenny is the only person who ever spent three years in geometry because of a mutual friendship with Mrs. Latimer...

ROBERT DONALD MADIGAN

Glee Club 2, 3, 4; Photographer for LANCE 4; LANCE Staff 4; Monogram Club 4; Football 4.

We have Bobby—spelled with three letters—to thank for our annual, since he's the fellow who comes complete with all attachments, specifically a speed graphic camera. Without him, our annual would be unique in that it would be the only one with eighty-eight pages of nothing.

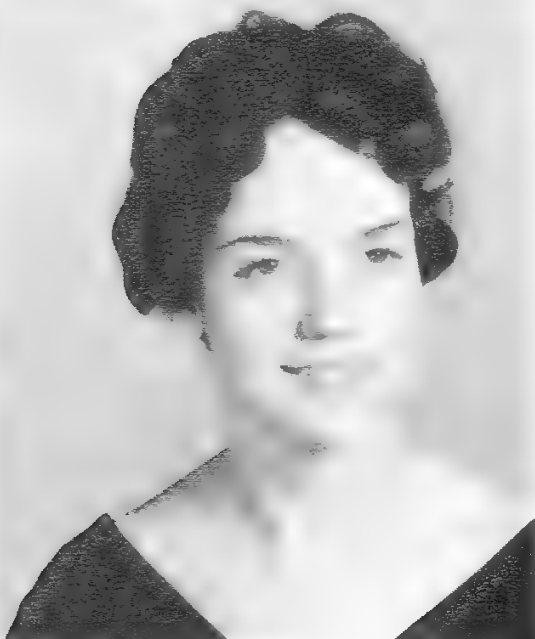

Bob's future holds a promise of adventure that awaits him as a Peace Corps member serving in the Philippines. We just hope that he be required only to speak Tagalog—not to spell it!

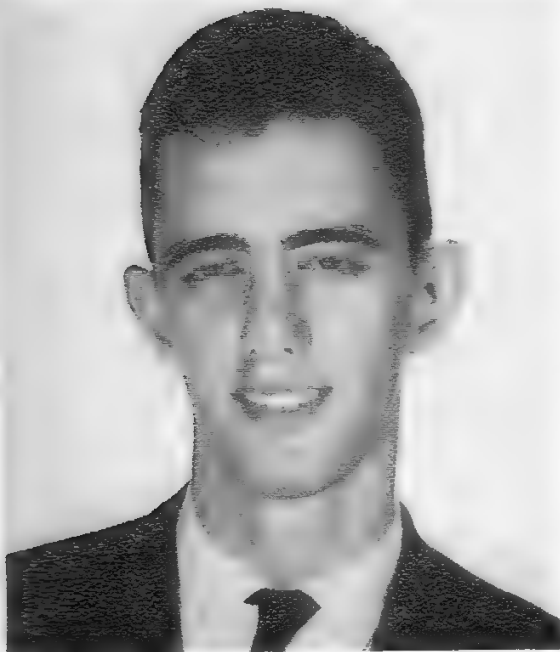

SHELIA CARROLL MANESS

Basketball 1; Glee Club 2, 3, 4; Pep Club 1, 2, 3, 4; F. H. A. 4.

In these four years, we would have been lost in a fog without Shelia's superior knowledge of everything that goes on. A girl who knows what she wants and sets out to get it—and usually does. She's a hard worker and very dependable girl, with a pleasing personality to boot.

RONALD McCRIMMON

Baseball 1; Football 1; LANCE Staff 4; Sports Editor 4; Sports Correspondent 4.

Ronald...the other half of the Inevitable Pair, McCrimmon and Smithson, owners and operators of Mischief, Inc. Having been counseled by previous seniors, Ronald knew that the last would be the best, and he has made every moment count. Probably one of the most fun-loving seniors in the history of the school. Together with Ken, Ronald has been the originator of more than one ruse that has tripped up all of us. But Ronald is not all prankster, when given a job to do, he performs it well; he is dependable and sincere in his church and school activities. We know that when Ronald finds his niche, it will be one of service to others. Say, do the Kuranites (TRIAF) really bury their dead in a kneeling position?

THOMAS EDWARD McKENZIE

Football 1, 2, 3, 4; Basketball 1, 2, 3, 4; Golf 1, 2, 3, 4; Monogram Club 2, 3, 4; Class Secretary-Treasurer 1; Permanent Football Captain 3; Most Valuable Player (Football) 4.

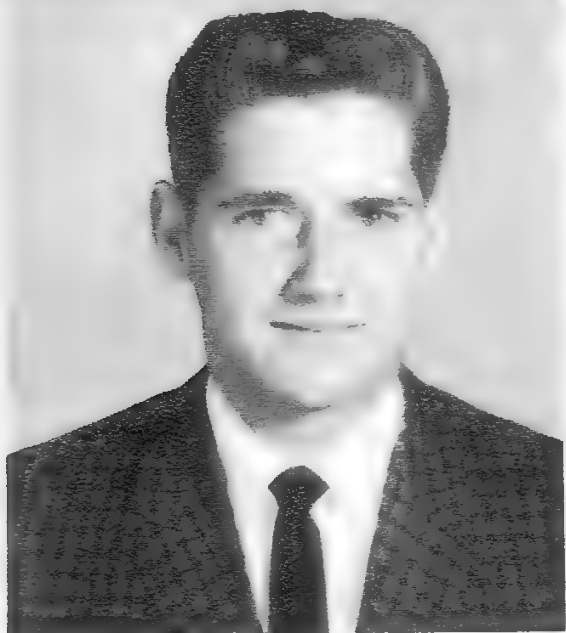

Eddie...the image of the high-school-perfect-athlete. When the writers of young peoples' stories picked the image of the fellow—best athlete, most glorious fame, handsome, casual, well-dressed, etc.—they must have been describing our Eddie. Eddie has his own special case of "senior-itis," which seems to have dire effects on all the ladies. A free wheeling sense of independence seems to set him apart from all other students. It's almost impossible to dislike him or to stay angry at him for very long. Yes, the North can claim its snow, but we have our own blizzard as Eddie smokes his way through the clusters of girls and onto the roster of the cherished.

LARRY LEVON MICHAEL

LANCE Staff 1; Football 1; Basketball 1; Class Vice-President 1; Transferred from Robert E. Lee High School, Montgomery, Alabama 4.

Larry has been with us since the second grade except for a brief interval which was spent in Alabama. A true Rebel in every sense, a gentleman with the belles and a staunch comrade for the guys. A wink and a smile for everyone and a kind word, even on blue Monday. A handsome addition onto which we cannot hold. Larry's unusual laugh can be heard from the farthest corners of all neighboring towns or wherever there's a "rockin'" party. A serious interest in a military career and an aura of calm authority lead us to believe that Larry's Don Juan qualities will be projected through an officer's uniform.

JANICE MARIE NORTON

F. H. A. 2, 3, 4; Annual Staff 4; Library Assistant 3, 4; Library Award 3.

Janice is one of the few who has been with us through all our twelve years at Southern Pines. A smart girl with a jovial manner and quick wit. Mr. Megginson will always be indebted to her for the polka-dot page boy she drew for "his" castle at the 1961 Junior Senior.

LINDA CAROLYN PIERCE

Glee Club 1, 2, 3; F. H. A. 1, 2; Annual Staff 3; Office 4.

Linda—a bright sparkle on a certain finger indicates that a very special event to any girl is ahead for Linda. June is the time when Linda will put flowers in her hair and stars in her eyes for a certain fellow. An attractive redhead, Linda has proved well her efficiency as an office girl, and we are sure this will carry over into her role as a wife. May the years bring only hours of finest happiness to you, Linda!

FAY MARLENE REID

Majorette 1, 2, 3, 4; Glee Club 1, 2, 3, 4; Librarian 3; President 4; Pep Squad 1, 2, 3, 4; Basketball 1; F. H. A. Reporter 2, Vice-President 3, President 4, County Song Leader; Annual Staff 2, 3, 4; Assistant Art Editor 3, Art Editor 4.

Fay is a real bird—no cutting intended. A lot of wit, a lot of charm, a lot of fun, and an indefinable quality we shall call "Fay," make up a girl who adds sparkle to any group. One of Fay's choicest facets is her ability to come out with some Grade-A squelches. This makes her what we affectionately call a "bird." In another sense we can liken her to one of our feathered friends a nightingale, for truly, no bird ever sang so sweetly. Fay will be off to E. C. C. this September to prepare for a career in elementary teaching. The best of luck to you, Fay.

GLORIA ANN REYNOLDS

F. H. A. 1, 2, 3, 4; Officer 4; Library Assistant 3, 4; LANCE Staff 4; Office 3, 4.

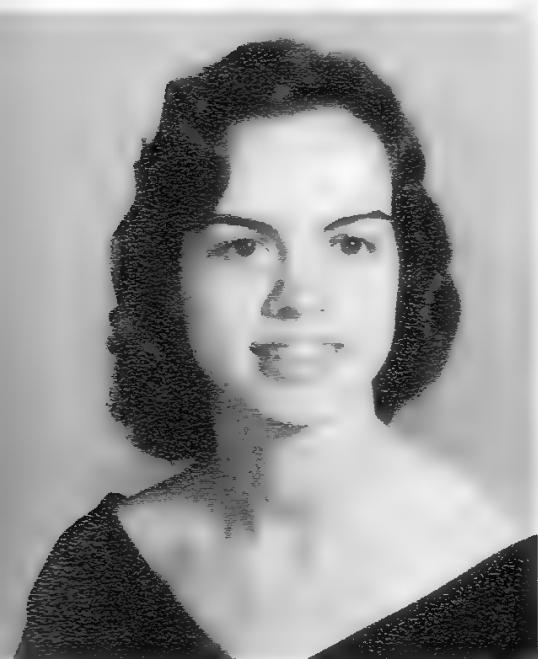

We hate to be impetuous, but we just cannot wait another minute to congratulate her on being one of the blessed few to obtain an A in Senior English! Many character sketches seem stereotyped, describing someone who is always generous, considerate, dependable, and has many other sterling qualities. . . We hate to be repetitious, but all these things are true about Gloria and there is just no other way to say them. A hard-working girl who is sure to succeed in all she undertakes—especially in her goal of working in the Governor's office.

BETTY LOU RIDLEY

Transferred from Framingham High School, Framingham, Mass. 3; Glee Club 3; Masque Club 3; F. H. A. 4; LANCE Staff 3, 4; Assistant Editor 4; Pep Squad 3, 4.

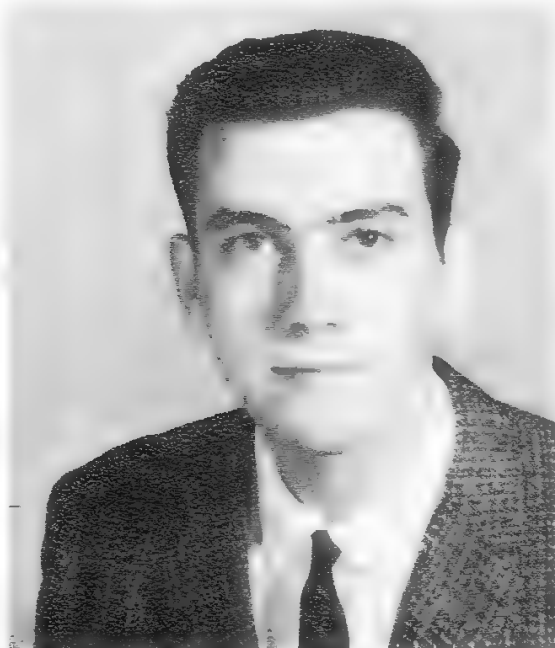

Betty Lou. . . lively and always ready for fun. A lilting voice and a creative mind classify her as one of the "arty" seniors. Betty Lou has been invaluable to us as a staff member this year, bringing in many new ideas from her school in Framingham. Although she is looking ahead to a career in fashion designing, we have a feeling that her mind is preoccupied with a certain fellow at Chapel Hill. We wish you the best, and we'll be waiting for a fashionable "Betty Lou-Look."

ROBERT LAMAR RYDER

Football 1, 2, 3, 4; Band 1, 2, 3, 4; Baseball 3; Monogram Club 4.

A lift of excitement is a must to our individualistic Bob. In search of a thrill, a "kick," he has travelled the Southern Pines map. During the day his challenge-seeking person is quietly obscured by an independent yet friendly creature of sinewy mien. We are happy to acknowledge Bob as a member and a friend indeed of the Senior Class, as he proves by lending a helping hand when it is needed. Only one example—the painting of Li'l Abner and Daisy Mae. Always a welcome sight to a combo suffering from loss of any of his repertoire of instruments.

CATHIE DIANNE SANDSTROM

Beta Club 3, 4, Program Chairman 3; Glee Club 1, 2, 3, 4, Accompanist 2, 3, 4; Class Treasurer 2; LANCE Staff 3, 4, Assistant Editor 3, Editor 4, Pep Squad 1, 2, 3, 4; Office 4; Marshal 2, 3, Chief 3; Basketball Scorer 3, 4; Masque Club 2, 3.

Cathie...her own shaggy dog story, for theres a wayward blonde lock that dangles nose-length obscuring her view—almost always. We would find it rather unnerving, but she insists it's not at all bothersome...to her. Really trying to understand her is like trying to catch smoke... just when you think you've got something, it isn't there anymore! A very talented girl who will always be remembered for her unsurpassed performances at the piano and her very rare personality. Her brilliant mind makes her a whiz at everything she undertakes, and her favorite subject—languages—will prove to be the key that will unlock the magic door to Never-never Land... an overseas vocation.

JANET LEA SAVAGE

Transferred from Vass-Lakeview High School 3; Glee Club 3.

Janet has been with us only two years but her quiet dependability has has been noticed by all. She wants to go to Worth's Business College and come out as a private secretary. She very probably will because every big businessman wants a secretary who is a whiz at typing and business calculations. Take a letter, Miss Savage...

JOHN DALY SCOTT

There is one phrase that flashes through our minds when we think of John. It is the same phrase that is affixed to the superlative his classmates selected him to receive. John is truly the most dependable person we know. He took a lot of responsibility on himself during the period of preparation for the Junior-Senior last year, and carried it very well. John was the fountain-getter, wood-filcher, and bandstand-builder, too. A very handy, helpful guy! We wish only happiness to such a likable fella.

RICHARD GIBSON SEYMOUR

Class President 1; Student Council 2; Beta Club 3, 4; LANCE Staff 1, 2, 3, 4; Monogram Club 3, 4; Basketball 1, 2, 3, 4; Golf 1, 2, 3, 4; Marshal 2, 3.

Dick—a genuine wit, a sense of the ridiculous, well-dressed, tailored good looks, a brilliant mind and recognition as an athlete have brought Dick many times before our admiring eyes. A strong interest divided between intellectual development and the fairer sex have made him a prominent figure. If it is true that fog is derived from a descended cloud, then heaven is ours as long as Dick is in our midst. A sure success with life is his, we know that Dick's keen mind will rocket him through Duke University and straight to the top of the business world.

REBECCA LEIGH SHAW

F. H. A. 1, 2, 3, 4; Secretary 4; Masque Club 1, 2, 3, 4; LANCE Staff 2, 3, 4; Pep Club 2, 3, 4; Student Council 4; Class Secretary 4; Senior Superlative.

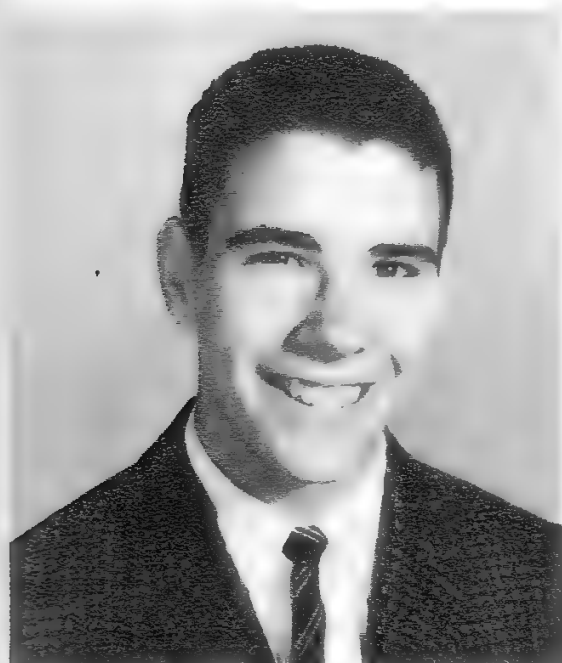

Becky is a helpful, encouraging friend to everyone. She is very sincere, dependable, and trustworthy. All of her fine qualities have forever endeared her to her classmates. Her quiet but cheerful ways are always welcome and her subtle wit and sense of humor add lightness to any day. She is always ready, willing, and able to lighten the heavy burdens of our high school days.

KENNETH WILLIAM SMITHSON

Football 4; LANCE Staff 4.

Ken... he definitely is, and yet he isn't. This is the only thing we can say about Ken; everything about him can be boiled down to this. Ken is an intellectual, yet he tries to convince us that he's not; he's serious, and at the same time he's silly. We admit it! This guy has us all fooled. We'll leave this worrying now so that we will have enough time to enjoy his keen, caustic wit, and his fun-producing, sometimes outrageous ideas. Ken is a gem; he is the crown jewel on the crown the class wears as King of the "Zanies." Belmont Abbey is Ken's next target. He wants to earn a double degree and "set up shop" in Europe. How about Germany, Ken?

BETSY JEAN SOLOMON

F. H. A. 1, 2; Glee Club 1, 2, 3; LANCE Staff 4; Office 4.

Betsy is a humorous, dainty girl. Some call her "Tinker Bell," for she is a cute and happy girl who can always find something to laugh about. Her work in the office this year is in preparation for attendance at Sanford Business College where she will take a secretarial course. She also plans to land herself a man in her spare time—that is, if a man doesn't land her first.

FRANK HALE STAPLES

Pep Band 1, 2, 3, 4; Band 1, 2, 3, 4; Pep Squad 3, 4.

Frank has either a strong craving for mischief and adventure, or he is just plain foolish. We cannot decide which, but we know that Frank wouldn't be himself without it. Frank told us his ambition is "to make a million—fast!" (We were wondering if "fast" could refer to something else, but then decided against it.) September will see Frank packing off to Elon. Don't forget to take our good wishes, Frank, and may all your traffic lights from here on be green or yellow.

MARKHAM ANDFERS STEARN

Transferred from Elizabethtown, New York; Glee Club 3; Band 4; Bus Driver 4.

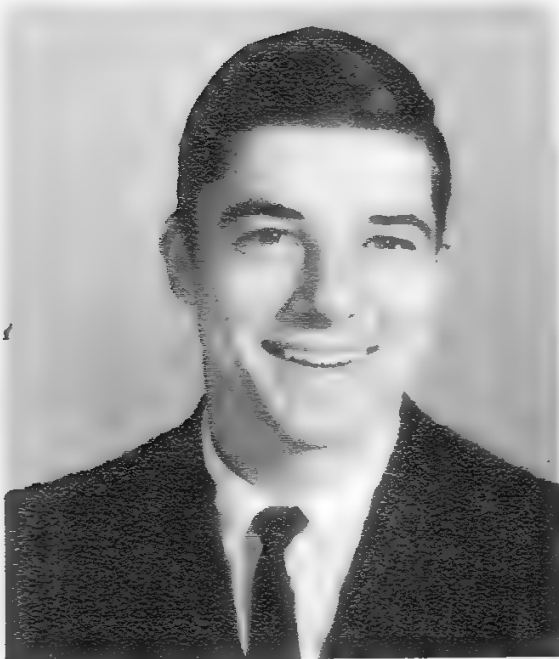

Mark has been with us only 2 years, but in that short period he has endeared himself to the entire faculty, especially Miss Ayscue. . . "Miss Ayscue, if you had several grains of sands, would you say 'sands is,' or 'sands' are?'"

FRAN TYSOR

Transferred from Sanford High School 4.

Fran is a new classmate who transferred from Sanford last fall. Her plans for the future include a business course and then off to New York City to seek her fortune as a model. We wish Fran the best of luck in her future plans.

CARL EDISON WALLACE, JR.

Student Council 2, 3, 4, Treasurer 1, Vice-President 3, Corresponding Secretary 4; Monogram Club 2, 3, 4, Vice-President 4; Beta Club 3, 4; Marshal 3; Senior Class President 4; Golf 1, 2, 3, 4; Basketball 1, 2, 3, 4; LANCE Staff 3, Assistant Sports Editor 3; Football 3, 4, Most Improved Player (Football) 3, Co-Captain 4; All-Conference 4.

Wally—the diminutive gentleman from South of the Border...the Mason-Dixon Border. Wally's fractured Spanish wouldn't impress a Spanish Don, but we think it would certainly charm the pretty Senioritas. We think Wally fits into a Mexican setting well, where we can affectionately cast him as a burro. You see, Wally can often be twice as stubborn as a burro... Wally loves sports and is an excellent athlete who has helped the Blue Knights to two record seasons in basketball, not to mention his enthusiasm on the football field. An excellent student, Wally would like us to find him at Carolina or Elon next year. When the South rises again, you can bet Wally will lead the boys in gray.

JANE MARIE WICKER

F. H. A. 1, 2, 3, 4; Beta Club 3, 4; Masque Club 2, 3; Pep Club 1, 2, 3, 4; LANCE Staff 3, 4.

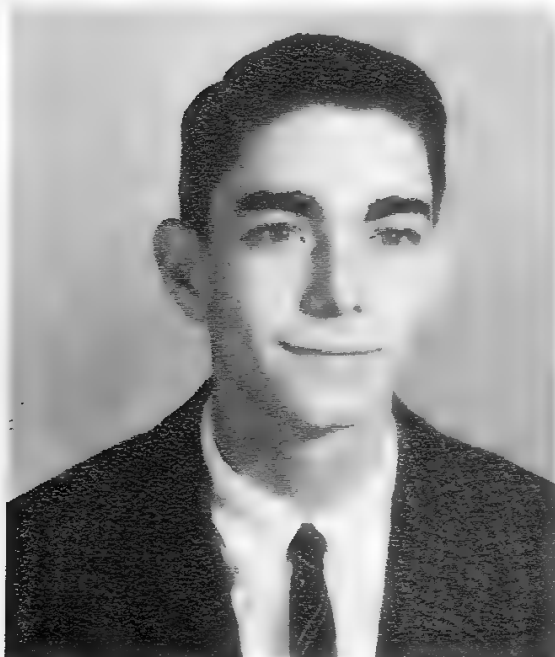

"The Equestrienne"—we'll always remember Jane for her avid interest in anything "horsey." She's dependable and quick in everything she undertakes—especially Spanish tests! We know she must be a brain, because she never attends a class without a library of books tucked underneath her arm, but still manages to maintain a Beta Club standard. A keen wit and laughing eyes plus personality that is never lacking in something to do or say are all she needs to carry her far in life. Tally ho, Jane!

Harold Williford—what words can we use to describe a hero? Unafraid of sports, but petrified of praise, Harold tries to lead his glory, laud, and honour-ridden life, quietly and humbly. Aside from an impressive list of scholastic honors, an almost frighteningly lengthy list of sports and scored points, Harold holds the title of Best-looking Senior Boy. His most outstanding tribute is his modesty. Harold's world plainly consists of giving and not receiving.

WILLIAM JOSEPH WILSON

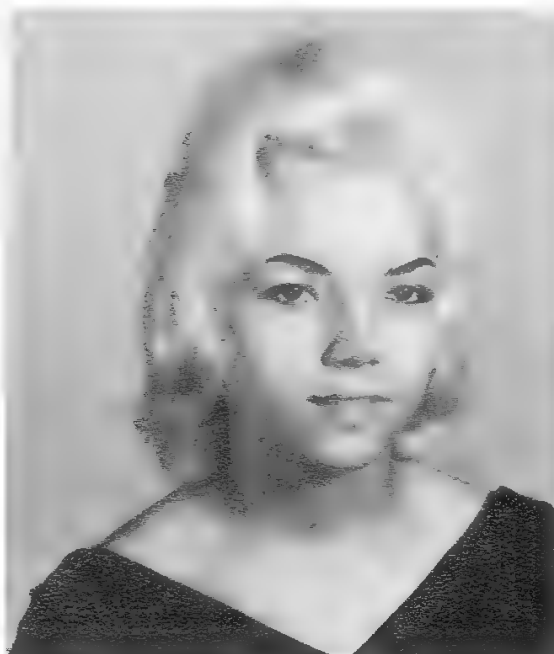

Football 1; Baseball 1; Golf 3.

A real pro stroke-shaver! Seriously, Bill is an outstanding golfer and has been known to skip a few hours of arduous study in order to spend a day on the greens—he was very much disgusted when the sun played a nasty trick and went behind a cloud, causing him to spend his stolen hours in a golf shelter. His deed was discovered by the truant officer and Bill soon became a pro floor-sweeper too... When asked why, his answer was, "Well, it seemed like a good idea at the time." His quiet manner and ready smile quickly makes him a friend to all he meets. Best of everything to a really great fella.

Linda keeps us o-o-o-ing and ah-ing over her excellent work in Fine Arts. Her figures have a certain quality of liquid motion that is rare in talent so young. Aside from her high artistic talents, Linda is a very reliable girl, who is always willing to help. A very attractive girl, Linda makes us think of the Spanish interpretation of her name—Linda in Spanish appropriately means "pretty." When the last strains of "Pomp and Circumstance" have faded, Linda will be ready to embark on her "Operation Housewife." Happy Homemaking!

What are you—some kind of a nut or somethin'?! Being with Peggy is like shaking a coke, you never know when it's going to happen—but you can be sure that when it does, it will be explosive. In addition to her effervescent personality, she is a sensitive and hard-working girl. Peggy hopes her work this summer in a hospital will help her learn more about her favored field, medical technology. We're confident that when this firecracker gets loose, there'll be a lot of things poppin'!

Student Council

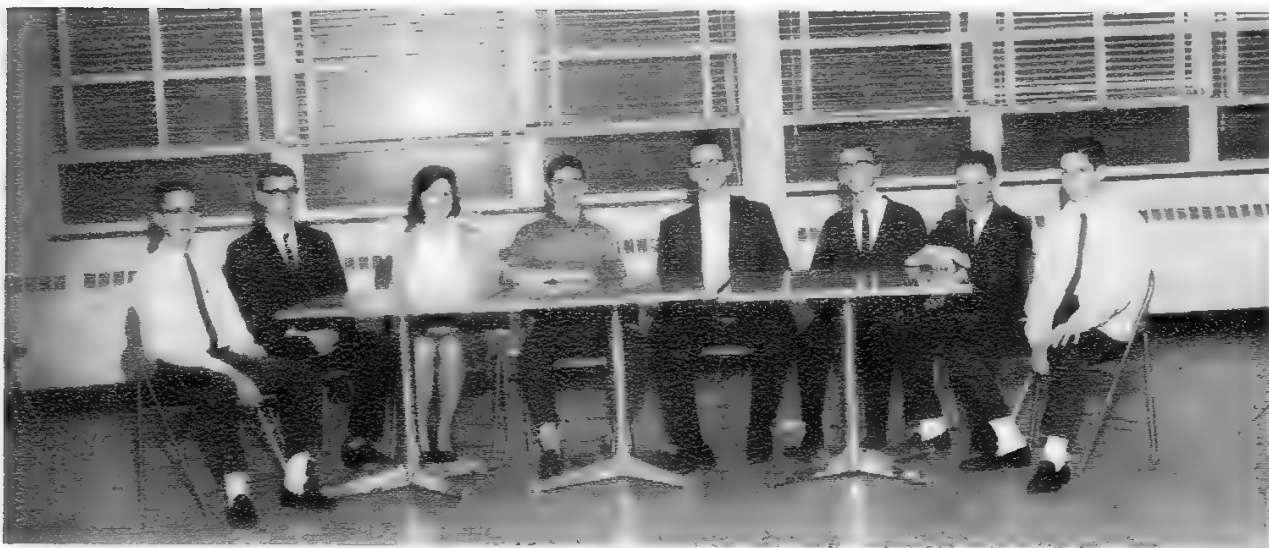

An important group in any school is the student government organization. The quality of a student council often mirrors the quality of the school. If the student body is a responsive, cooperative group, one will usually find an active, enthusiastic council behind it.

Our council is set up so that each class has an officer on the executive committee and a representative. Serving the student body as president this year is Dick Hoskins. As vice-president, Ralph Hendren is responsible for the devotions before all chapel programs. Terry Smithson shares her duties as secretary with Wally Wallace, who takes care of all correspondence. David Jones, as treasurer, is the man to see about financial matters.

Among the council's projects this year have been a clean-up campaign, the institution of a calendar for chapel, and continued work with the honor system.

The Beta Club is a scholastic organization whose key purpose is service. The club's chief project is a Beta Club Scholarship given annually to a deserving Beta senior. To finance the fund this year, the club has sold stationery, and is planning to work all day at various jobs at the Stoneybrook Races. In addition to all these plans, the club is very proud of a special program they are beginning this year. A musical stage production, put on by the entire high school, to be performed in the spring, will be sponsored by the Beta Club.

BETA CLUB

F. H. A.

The F.H.A. is a very civic-minded club. The club is made up of girls who have completed courses in home economics. The F.H.A. serves the school in many ways; they sponsor dances, special programs for civic and school development, and present fashion shows for the P.T.A. This is a very brief mention of only a few of the club's activities. President this year is Fay Reid. Miss Loree Keen is the F.H.A. advisor.

Membership in the Monogram Club is restricted to those athletes who have earned a letter in any sport. The purpose of the club is to reward individuals who participate in athletics for the effort they have exerted in developing their ability.

This year the Monogram Club sponsored a "Sadie Hawkins Dance," an evening of first-class hill-billying. Dogpatch, U.S.A. will never see such hilarious costumes, such rambunctious cake walks, such glorious square dancing, or such death-defying twisting contests as were seen that night. High point of the evening for all the Daisy Mae's present took place under a huge yellow harvest moon, when the Monogram Club boys were auctioned to the ladies who bid highest for them.

At the end of basketball season, the Rotary Club works with the Monogram Club, sponsoring a banquet. There the letters for outstanding players are given out, and the trophies for the "Most Improved" and the "Most Valuable" players are awarded.

The Glee Club usually presents two annual concerts, a Christmas concert and another in the spring. The singers are often asked to entertain at civic functions, they provide music for the community Easter Sunrise Service and perform at Graduation exercises. Selected club members participate in the Picquet Festival, a county-wide chorus. Highlighting the program this year were the presentations of "The Night Before Christmas"—complete with slides, and the musical, H.M.S. Pinafore in the spring.

The Glee Club completes its third year under the fine direction of Mr. William McAdams. Hats off to Mr. McAdams as head of the "Early Bird Club"—he does wonders evening up his drowsy group at eight o'clock in the morning! Cathie Sandstrom retires (or is it resigns?) this year after three years of service as accompanist.

'Down the Court and On to VICTORY!'

The mighty Blue Knights of Southern Pines have charged down the courts with a combination of brilliant teamwork, phenomenal accuracy in shooting, and some undefinable quality of spirit to capture the titles of both Conference and County Champions and are now working their way up the difficult ladder of district and state playoffs.

All the boys on the team have distinguished themselves in individual achievement, but the team itself is to be greatly respected for the perfect teamwork of the individuals. Left to right, kneeling, they are Hendren, Wallace, Bristow, Daeke; back row, Hiatt, Williford, Seymour, McCrimmon, Coach. Harold Williford, a 6'4" senior, has monopolized the rebounds from his position under the basket, plus adding an average score of about sixteen points to each game. Eddie McKenzie's cool, calm, and collected sense of timing and his speed and accuracy in shooting have saved the day for us many times. Dick Seymour will ever be remembered for his lo-o-o-o-n-g and beautiful set shot and for his rebound action. Guards Wally Wallace and Johnny Bristow are the speedsters who completely demoralize anyone who dares invade the backcourt area, their constant pep, speed, and endurance have often set the winning pace.

The coaches Billy Meggison and John Williams will long be remembered for their superior coaching and understanding of their team. Nor only does everyone love them for their coaching, but for the very manner and enthusiasm in everything they do. A chain is only as strong as its weakest link, and we think the Coaches are the links of tempered steel that chain our Knights to the path of success.

Although the team will lose most of the starting line up when the seniors graduate, the ones left are so good that only the fine line of experience divides them from this year's team. Robert McCrimmon, a Sophomore, gained much experience in the games this year. He's an excellent shot, scrapping player, and his height makes him an asset under the basket. Johnny Bristow will be with us again next year and his speed, experience, and shooting will again set a winning pace. Joe Hiatt and Ralph Hendren are tall Juniors who have enough enthusiasm "to sink a battleship"...with goals. Freshmen Hal Hassenfelt and Lynn Daeke are both excellent players who contributed much to the squad this year. Hal is a tall fellow with good sights on the goal and plenty of speed to get him there. We know he'll be a tremendous asset in the oncoming years. Lynn has all the pep, determination, and skill he needs to carry him right up to the top of the ladder in his ball playing. The experience he gained this year in the games plus a natural ability and enthusiasm for the sport are those qualities that make a real pro.

So here's to the 1962 team, the noblest of all—Blue Knights!

1962 Girls'

Left to right: Phillips; Chappell; McMillan, M.; Coach; Gehweiler; Michael; Rowe; Watkins; Harper; Huntley; McMillan, J.; Niles.

The girls team of the Southern Pines Blue Knights was faced with the problem of filling in gaps left by graduating team members last year. Of the old Varsity, only four members were left, and a group of high-spirited freshmen and sophomores jumped into the sport, adding much to the team. The high spirit and great enthusiasm of the girls began the season with excitement and continued to lead us into many thrilling and close-called games.

Coaches Billy Megginson and John Williams concluded their second season of excellent coaching with Coach Megginson concentrating on the Varsity and John Williams working with the J-V's.

This year's starting team members were Joan Grover, Peggy Worth, Mary Chappell, Clara Harper, Susan Huntley, Janie Gehweiler, Carolyn Niles, and Delinda Michael, with co-captains Joan Grover, Mary Chappell, and Peggy Worth. Keeping the books for the Knights were Cathie Sandstrom and Jeanne Butler, who attended all the games faithfully and kept neat and accurate scorebooks.

This spring the team will lose several of its valuable players in graduating seniors Joan Grover, Mary Chappell, and Peggy Worth. In spite of the loss of Peggy as high-scorer and Joan with her calm sense of direction on the courts, the rising varsity has much good potential and the '62-'63 season looks very promising. Players to watch next year are freshmen Susan Huntley and Carolyn Niles, who made a brilliant start and contributed much as forwards. Carolyn's height and Susan's swiftness make an excellent pair to work with Julia McMillan's superior set shot. The agility and swiftness of Clara Harper and Janie Gehweiler coupled with Janet Phillips' height compose a group of guards whose aggressiveness is unsurpassed.

"We've got the Coach; we've got the team..."

Basketball

The Junior Varsity Team, coached by Mr. John Williams.

Rip 'em up, tear 'em up!

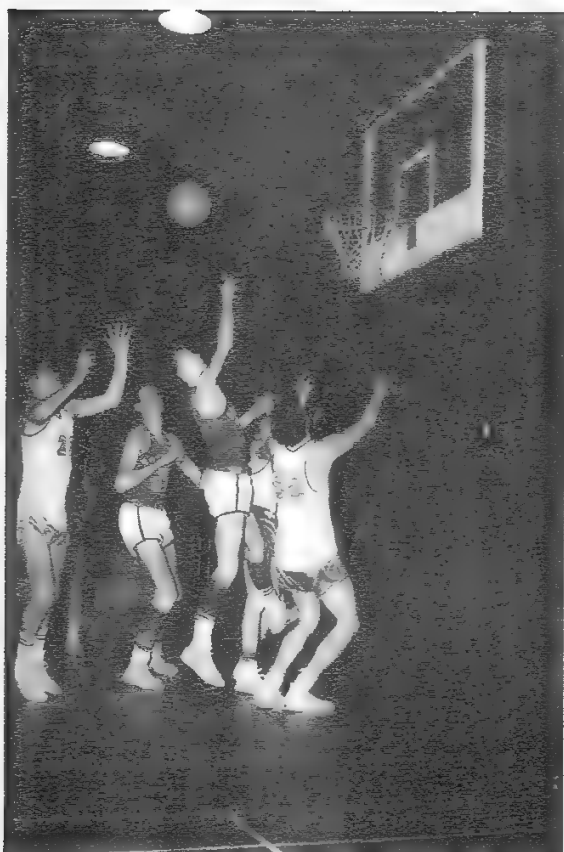

Eddie McKenzie, Skip Honeycutt, Dick Seymour, Wally Wallace, and Bill Wilson.

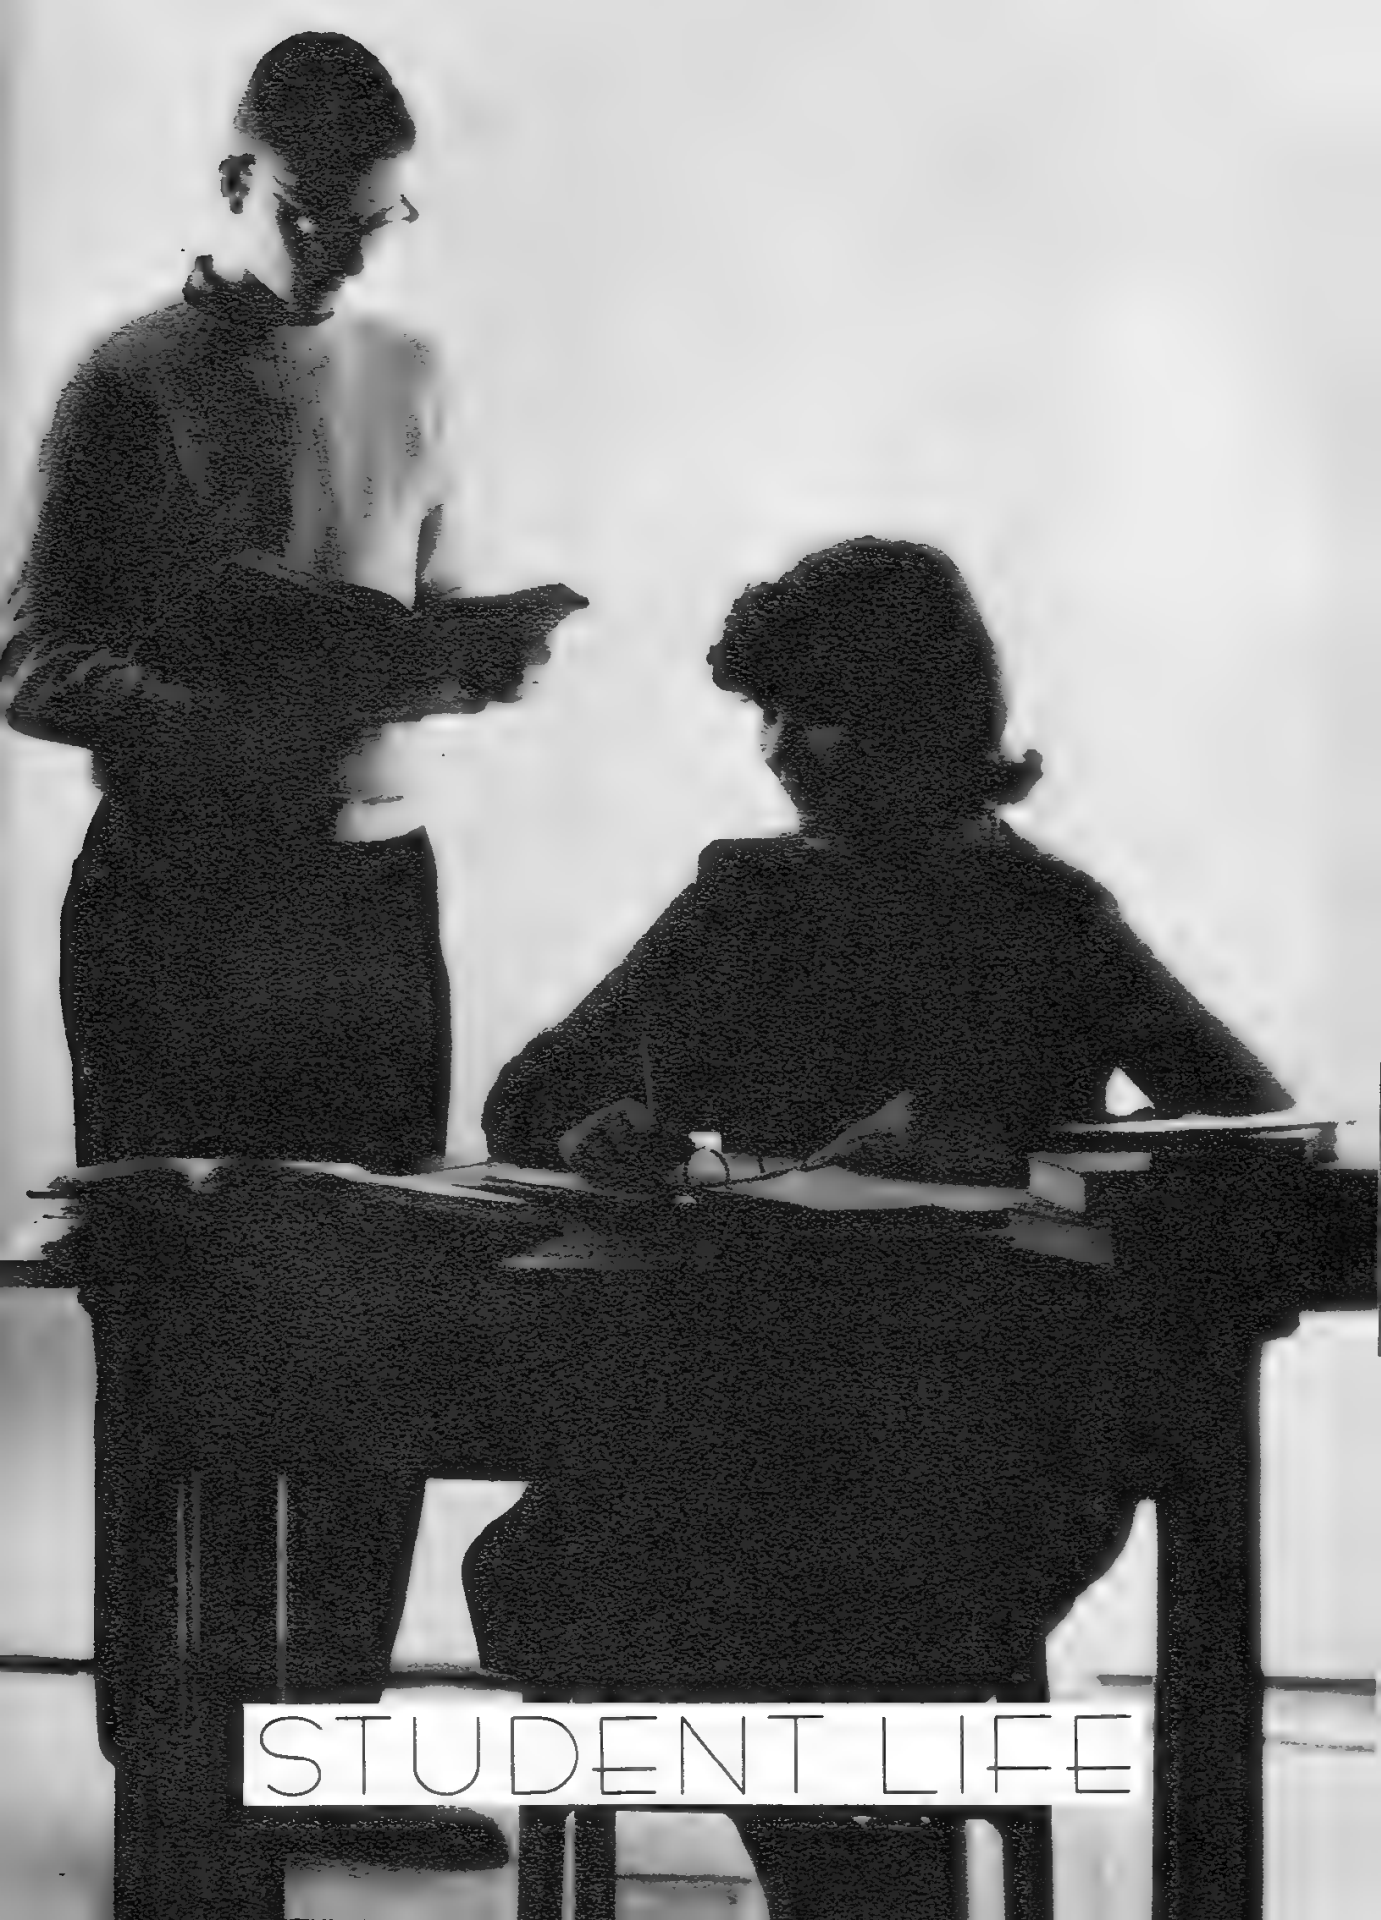

Golf

Our golf team is the only team in the state that can claim to have its roots in the "Golf Capital of the World." They are very fortunate to be surrounded by many excellent courses. Their one difficulty is finding matches, since only the larger schools, in most cases, have teams. After a highly successful season last year, Coach Don Moore and his pros are champing the bit to get started this season, with all hopes that they can better last year's record.
